Registration for fall term 2021 will begin on Monday, March 15 for DHI students and continue through August 2021. **Registration will open at 6:00 a.m. on student's assigned day.** As is customary, upperclass students will have an opportunity to register before underclass students. If an upperclass student does not take advantage of this opportunity, his/her registration will be conducted along with other student registrations. In such cases, no special preference will be shown.

Juniors:	Thursday, March 18, 2021
Sophomores:	Monday, March 22, 2021
First Year and all others:	Wednesday, March 24, 2021

Procedure:

1. Meet with your faculty advisor.
2. Discuss the schedule with your advisor as it relates to your academic program and life goals.
3. Complete the registration process with your advisor through your PowerCampus Self-Service account.
4. Review your schedule and return to your advisor if you have any questions, errors, or fail to get course(s) for which you registered.

It is important you choose courses with the advice and recommendation of your advisor. If it becomes necessary to drop or add courses after you have once registered, your chance of being enrolled in certain courses diminishes. Early registration with a well-planned schedule will ensure being enrolled in courses needed for your program. A normal credit hour load is 15 to 16 credit hours. Students must have the approval of their academic advisor and registrar for more than 18 credit hours.

If you have questions about registration or registration procedures, contact your advisor or the Registrar's Office. The registration schedule will be followed precisely for your convenience.

Note: Waitlists for classes will no longer be an option; register for classes promptly.

Note: If you intend to repeat a course, complete the proper form in the Registrar's Office.

Note: A student must register for 12 credit hours or more to be classified as full-time.

Note: The cafeteria serves lunch from 11:00 a.m. to 1:30 p.m. Do not schedule consecutive classes at 11:00 a.m., 12:00 p.m., and 1:00 p.m., so that you are able to take a lunch break.

Note: Do not register for classes at times when you chose to be scheduled for extracurricular activities.
