### Student Guide – First Time Using Moodle

1. Open a web browser. Go to <http://moodle.thiel.edu> or on Thiel's website scroll to the bottom of home page and select **Moodle**.
2. You will see a login box. Your username and password are your email username (110.....) and password, also the same username and password you use to logon to computers on campus. Enter these in the box and hit the Login button.

3. Once you login, you will see your courses listed in gold.
4. Click on the name of the course you want to access in Moodle.
5. You should now be in your course. You will see the course materials appearing in the center of the screen. Click on any of the items such as the Syllabus to open the files and view the related materials. Once in an item, use the Breadcrumb Links in the upper left-hand corner of the screen to navigate back to the Course Home Page. 2
