Health Care Today: *Taking Ownership of Your Health Care*

Presented by: Chris Wright, President & CEO of St. Paul's Senior Living Community

Thursday, March 21

11 a.m.

Headland Friendship Commons
at The Villas

Health care is more volatile today than ever before and making informed decisions is crucial.

Find out what today's health care consumers should know and understand to *make the system work for you*.

Be your own advocate, ask the right questions...using your voice in the changing health care industry is key!

RSVP by March 12.
