- A meal plan is required for resident students and is valid when classes are in session. As a resident student, you will automatically be placed on the TC Basic meal plan when you have completed arrangements for room and board.
- Returning students will automatically be assigned the meal plan they had the previous semester, unless another plan is selected within the meal plan selection period.
- If you have food allergies, require a special diet, or have other dining concerns, please call us at **724.589.2190**. Once we have the proper documentation from your physician, we will partner with you to create a plan just for you.
- Looking for a way to avoid handling cash? You, your parents, or other family members can deposit money for Thiel Bucks on your ID. Your Thiel Bucks can be used at the TC Café and Rotunda Bistro.
- For questions about meal plans or AVI, Thiel's food service provider, please contact their office at **724.589.2190**.
- Commuter and Graduate plan information is available on line at <https://www.aviserves.com/thiel/>
